# FURTHER INFORMATION

## Meeting Goal

Give business leaders the chance to participate in live, peer-to-peer group facilitated discussions. Each month our group will connect in-person and video to discuss business challenges, exchange best practices, and learn how to best support each other.

## Why should business leaders participate?

- Brainstorm with other business leaders to find solutions to existing business challenges
- Share best practices and gain useful insights for success
- Help define a clear way forward for their business
- Build a strengthened network of support and create meaningful relationships with other business leaders
- Meet like-minded leaders who share a passion for business

## Who is this program for?

For existing senior managers and owners who are currently operating within a small business who:

- Feel alone on the entrepreneurial journey but seek community and accountability
- Have specific business challenges and would benefit from brainstorming new ways to resolve these challenges
- Want a fresh outside perspective on business
